“more than conquerors”

November 2, 2021

Dear Volleyball Parents,

This Thursday night, November 4th, the Gators have a home Volleyball game. We’ve been trying to make it to a weekend game, but their schedule has been a little different this season. We will be purchasing the tickets in advance and taking our volleyball players that night to the game. Since this is on a school night, volleyball players **MUST** be caught up on all of their homework to go to the game. This means all work (including classes) must be caught up as of Thursday morning. We will leave the school Thursday at 5:30 PM and return after the games have ended--I assume around 9:30 PM, but that depends on how many games the Gators play. Since we are covering the cost of the tickets, students do not need to bring any money. However, if students would like to purchase something from the concession stands, they will need their own money. We will wear dress down dress code, and if you have a Gator shirt, wear that!

Jennifer Walters

_____ Yes, my child, _____, will attend the Gators volleyball game on Thursday, November 4th.

_____ No, my child, _____, will NOT attend this field trip.
