Hello Parents and Students,

Dress Code for 2021 Volleyball State Playoffs

All WCA students and Homeschool students must adhere to the following dress code.

This tournament is a school function, but we have done our best to provide some leniency in our dress code while still maintaining our school standards.

- 1) Dress down dress code is allowed while at the hotel and going around Cocoa beach.
- 2) When students are swimming, hanging out by the pool, at the beach, or playing volleyball on the beach, shorts that are at least to your middle fingertip **MUST** be worn. T-shirts or sleeveless shirts (no tank tops) **MUST** also be worn over your swimsuit at all times.
- 3) If you are not swimming, at the pool, at the sand volleyball court, or at the beach, you will need to be in dress down dress code. This includes anytime we are leaving the hotel and heading into the big city of Cocoa Beach.
- 4) Boys must wear basketball shorts, board shorts, T-shirts or sleeveless T-shirts while hanging out together, in the pool, on the beach, or playing volleyball on the beach. Boys must keep their t-shirt on at all times when outside of their hotel room.

While at the VB tournament:

- 5) Boys must wear dress down dress code while at the tournament.
- 6) Girls must either stay in your uniform shorts or another pair of basketball shorts that come to your knees and dress down approved t-shirts.

You are loved!

Your WCA Staff
